**Technical Data**

|                              |                   |
|------------------------------|-------------------|
| Weight                       | 26 g per piece    |
| clamp / connector material   | PP                |
| clamping gap S               | 0,7 millimeter    |
| colour                       | black             |
| height                       | 40,000 millimeter |
| inner surface shape          | R - ripping       |
| length                       | 80,000 millimeter |
| length [2]                   | 45,0 millimeter   |
| pipe OD / nominal size       | 28,00 millimeter  |
| preload                      | yes - with gap    |
| series according to DIN 3015 | double series (Z) |
| size clamp DIN 3015          | 4                 |
| width                        | 30,000 millimeter |

**Conformity**
